Το Ινστιτούτο Σπάρτης παρακολουθεί πολύ στενά τις εξελίξεις με την κρίση που έχει επιφέρει ο νέος ιός «COVID-19» στη Ιταλία και με αισθήματα αλληλεγγύης και συμπράστασης απηύθυνε την πιο κάτω επιστολή στους αδελφούς και φίλους Ταραντίνους και στο Σπαρτιατικό Μουσείο του Τάραντα:

**Theme:** Letter of support

Dear Dr. Bellacicco,

During the recent weeks, we have been following very carefully the spread of the new coronavirus epidemic in Italy.

The tragic death of hundreds of Italian citizens and the adverse effects that the epidemic has caused to the lives of millions have filled us with grief.

At this very difficult time for Italy, I would like you to know that the members and the board of the Institute of Sparta are fully empathized with your grief. We all hope that this situation will soon be brought under control and life in your beautiful country will return to its normal pace, regaining its balance.

Our thoughts are with the families of the victims of the epidemic and with the patients suffering from the virus, to whom we would like to wish for a speedy recovery.

With our warmest greetings,

For the Institute of Sparta

The President

Anastasia Kanioglou

Η απάντηση ήταν θερμή και συγκινητική και μας δημιουργεί την ανάγκη να ευχηθούμε να περάσει όλη αυτή η κατάσταση σύντομα και να την αντιμετωπίσουμε με την επίκληση της προτροπής του Ρωμαίου ποιητή Βιργιλίου «Ne cede malis» (Μην υποκύπτεις στα βάσανα)!

Dear Anastasia,

thanks for your kindness.

We are three medical doctors in family who work every day for the serious Italian health situation with the many colleagues who are fighting against this tragic epidemic in all part of Italy.

Your solidarity is helpful and makes us stronger. We hope that the situation will soon return to normal.

We think that the fraternal bond between our peoples is manifested in these moments and your letter has shown it.

Magna Greece and Greece united in joys and adversities. Father and son always together.

*Vi inviamo un fraterno abbraccio*
